“The World  
Behind Your  
Curtains”

[www.mandovara.com](http://www.mandovara.com)

The space we live in accords greater significance and vibe to our life. Give your living area the décor and beauty it truly deserves.

Welcome to  
**Mandovara!**

“Design is not just about aesthetics; it's about creating a space that tells a story and evokes emotions ”

- Shabnam Gupta

## About us

### Who we Are?

The roots of Mandovara lie in Arham, a leading wholesaler of branded wallpapers since 2014, gracing spaces with an artistic touch. At Mandovara, we bring you contemporary collection of supreme interiors for posh and elite living. We also offer matchless artistic services from the most celebrated Mr Parag Deshmukh, Nanda Mines of Indian Art.

### What we Do?

Mandovara specializes in interior décor and furnishing products apt for residential and commercial spaces. We are a one-of-a-kind store providing a broad and holistic range of interior solutions. We offer best-in-class wallpapers, curtains, upholstery, flooring, blinds, artificial grass, interior films, artistic work, and vertical garden from eminent players of the country and abroad.

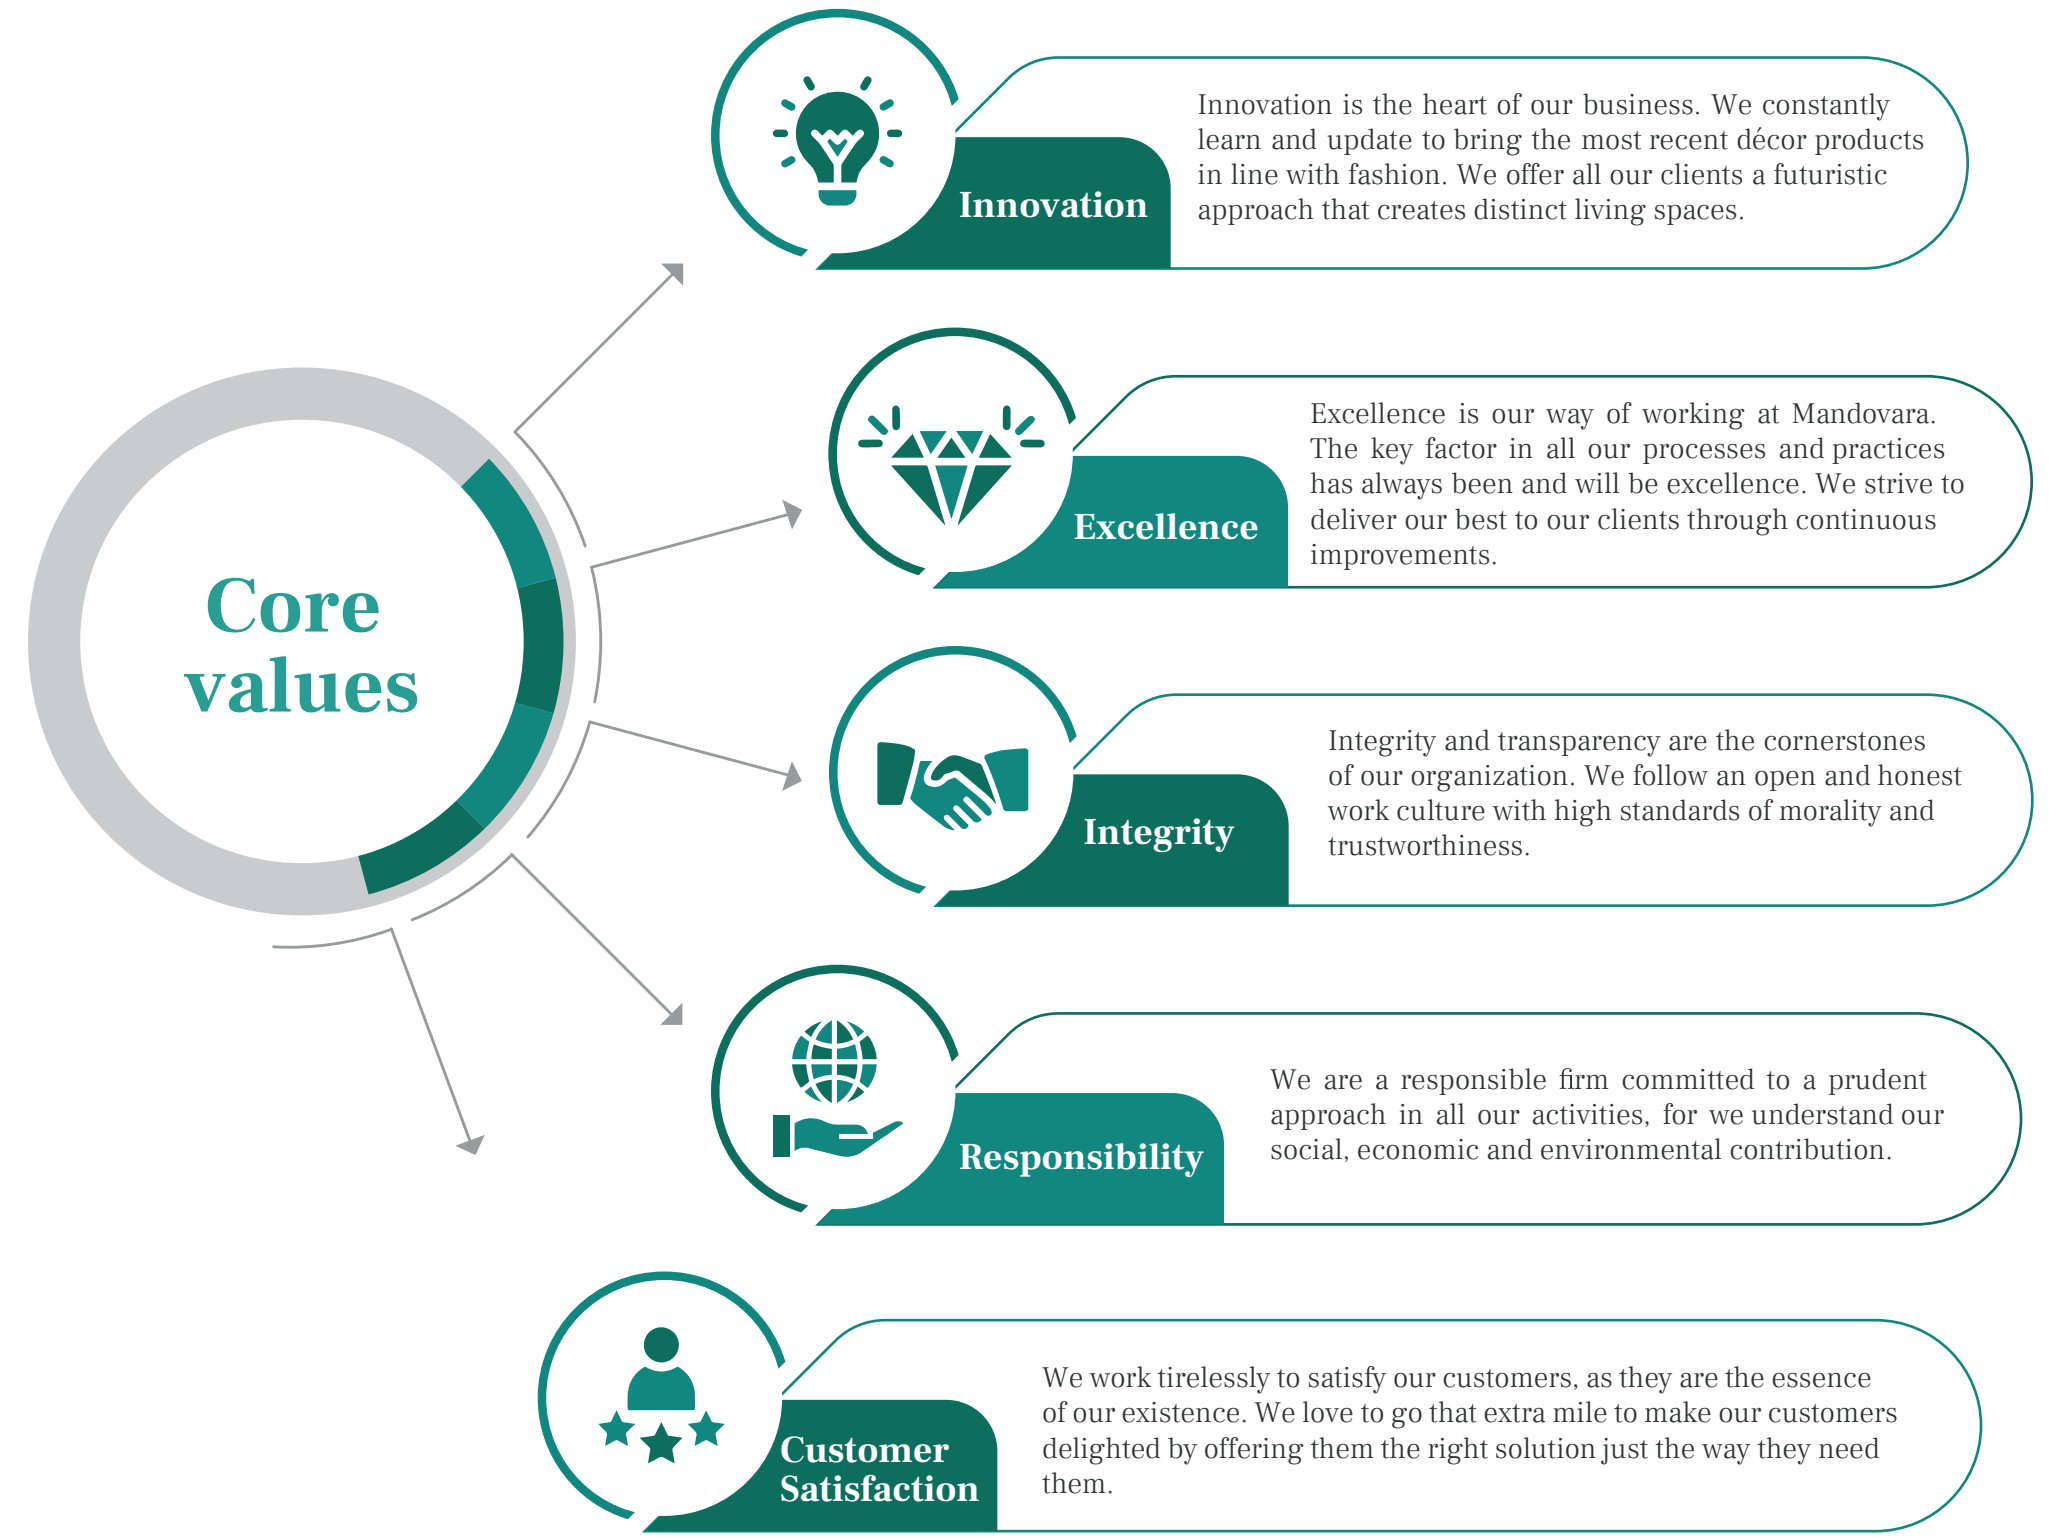

## Vision

To create posh and aesthetic living spaces with our inspiring interior concepts.

## Mission

We intend to shape spaces with an exquisite and finest range of interiors from the best brands across the globe. We are passionate about adorning your ambience with state-of-the-art furnishings.

## QHSE Policy

Quality is our habit at Mandovara. We are zealous professionals prioritizing quality over other aspects since we believe it is the customer's right to own a qualified product. We follow rigorous quality standards to procure the best interior products and furnishings from renowned players in the industry. At Mandovara, customers are assured of aesthetic products with finesse all set to beautify your places.

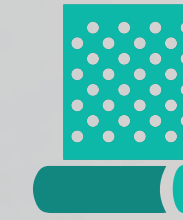

Our broad range of products from acclaimed manufacturers is in line with the industry's health and safety standards. We ensure our customers receive the most authentic décor and furnishing items that enrich your space. Our team of experts constantly monitor, measure and improve all practices on health and safety standards.

We contribute towards a greener, cleaner and more sustainable environment. We develop elegant living spaces with environment-friendly products curated by distinguished players. At Mandovara, we power your environment with energy-efficient, healthy, recyclable products assuring a better planet.
